

Bournmoor Primary School Sports Funding Allocation 2021/2022 INCLUDING IMPACT REVIEW

The 2021-2022 Sport Premium funding for Bournmoor Primary School is £16,000 plus £10 per child (Year 1 to Year 6) which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils. £16,840 in total.

The money will be used for:

1. £4,000 to AE Coaching for Nursery, Reception and Year 1 to have 45 minutes per week each on skills and games.

2. £5,275 to School Sports Partnership Enhanced Service Level Agreement to ensure high quality PE support across the year.

£1,500 to be spent on buses and coaches to transport to and from class/school sporting events throughout Durham and the surrounding area. *Please note, this amount may rise/fall dependent on the number of events available due to COVID restrictions.*

£4,000 to be spent on external coaches to deliver after-school PE sessions for children in Reception to Year 6. This is to be delivered by Simply Sport and AE coaching.

£2,065 to be spent on updating and replacing PE equipment for use in lessons and at lunch/break times. This expenditure will be led by the children, working with our KS2 sport leader to decide what equipment is required for both class PE lessons and break time.

Rationale	Expenditure	Impact	Cost
<p>School Sports Partnership <u>Silver Service agreement</u> to be used to ensure high quality PE support across the year</p>	<p>Buy into the Durham School Sports Partnership</p>	<p>Pupils will be encouraged to become sports leaders through SSP training for our Schools Sports Organising Crew (SSOC). They can use these skills in particular in Fit for Life week via intra-competitions that will also be organised through the Durham SSP.</p> <p>Additional funding has been allocated this year to improve the breadth of PE experiences on offer, for example, the SSP will be delivering Balance bike sessions, scooter workshops and a colour run – all of which will come under the SLA and require no additional monetary cost.</p> <p>Pupils had the opportunity to experience a range of new sports including Quidditch and Archery. These were delivered in school, allowing all pupils to access and further engage. 100% of children from R to Y6 experienced competitive sport delivered at a range of different venues across County Durham, from Maiden Castle to local schools.</p>	<p>£5,275 for the full range of services provided across the academic year 2021-2022</p>
<p>To provide high quality football coaching skills to N and Y1 to develop their co-ordination, balance and strength</p>	<p>AE Coaching Monday morning</p> <p>45 mins Nursery 45 mins Reception 45 mins Year 1 45 mins Year 2</p>	<p>100% of N, R and Y1 pupils will have access to high quality coaching. Gross motor skills will develop in these sessions. All pupils will be given opportunities to work individually and in small teams to build strength and stamina.</p> <p>AE coaching will also provide a number of sessions from the Spring term onwards. This will provide children from R to Y6 with a wide range of sports sessions with professionally training coaches, for example, AE coaching is now in the position to deliver tailored gymnastics and dance sessions (teachers also have the opportunity to up-skill from these sessions should they wish).</p> <p>AE coaching continues to develop gross motor skills throughout N/R and Y1/2. 100% of children have had access to this delivery throughout the school year and benefitted in terms of confidence, team work and general increased awareness of the benefits of exercise.</p>	<p>£4,000 for the academic year</p>

<p>To provide professional transport to and from sporting events throughout the year (majority of this will be utilised within the Summer term)</p>	<p>Coach and bus transport to and from events to provide all children with access to high quality, competitive sport across a range of different disciplines</p>	<p>The school will fund travel to and from sporting events to enable access for all children to all sporting events.</p> <p>This funding will also extend to covering the additional cost of the coach for our annual residential to Robinwood in Cumbria.</p> <p>100% of children had the opportunity to experience competitive sports events outside of school. We also continued our residential at Robinwood, providing access to outward bound activities for our Y5/6 children. Focus of the trip included resilience, determination and team work. Prior to the trip, RW staff design their delivery around key focus passed on by school staff.</p>	<p>£1,500 across the school year.</p>
<p>Professional coaching or after-school clubs</p>	<p>Provide weekly sessions after-school for external coaches to work with children on a range of sports such as Dodgeball and Gymnastics.</p>	<p>Plans are in place to deliver the following after-school clubs in addition to the breakfast sports club delivered on a Monday morning by AE coaching.</p> <p>AE coaching will deliver these sessions which will look to consistently provide both a KS1 and KS2 club each week for the academic year. Clubs will vary dependant on the time of year, resources available and coaching expertise on offer. Clubs will include dance, gymnastics and multi-sports.</p> <p>AE coaching delivered sessions across all key stages and also provided multi-sports coaching sessions prior to school. This provided parents with the opportunity to decided whether their children would benefit from increased activity outside of the curriculum specified amount.</p>	<p>£4,000</p>
<p>Replace equipment to ensure teachers, apprentice and dinner staff have the correct, suitable equipment to deliver active sessions</p>	<p>Utilise the carry-over from previous year to replace old equipment and look to improve the delivery in our EYFS setting.</p>	<p>New equipment will allow teachers and staff to maintain the high level of PE delivery across the school, building on the success of the previous year. Recommendations have been taken from external coaches to increase the breadth of equipment on offer, for example, new multi-purpose nets will be purchased to enable the teaching of net/wall games such as tennis and badminton.</p> <p>A focus on our EYFS area following the re-design of the EYFS framework will more closely match the standards set out in the new framework. Increased attention on utilising our outdoor area and providing children</p>	<p>£2,065</p>

		<p>with extended learning opportunities will be funded through PE premium.</p> <p>This year we have updated a number of our resources including bibs, balls and a number of items used by our playground staff as we have now moved back to a fully-integrated school yard where children have access to all areas and all equipment. Focussing on the next academic year, we will look to catalogue our PE resources and cross-check this against teacher requirements based on this year's curriculum delivery, required sports and extra-curricular clubs.</p>

Key Guidance and Allocation Notes

What is Sport Premium?

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6

In most cases, we (DfE) determine how many pupils in school attract the funding using data from the January 2021 school census.

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE.

They give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

7/12 of your funding allocation on October 2021

5/12 of your funding allocation on April 2022

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- There are 5 key indicators that schools should expect to see improvement across:
 - The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
 - The profile of PE and sport is raised across the school as a tool for whole-school improvement
 - Increased confidence, knowledge and skills of all staff in teaching PE and sport
 - Broader experience of a range of sports and activities offered to all pupils
 - Increased participation in competitive sport

For example, you can use your funding to:

- Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- Enter or run more sport competitions
- Partner with other schools to run sports activities and clubs
- Increase pupils' participation in the School Games
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)
- Fund capital expenditure
