19<sup>th</sup> July 2023

Dear Parents and Carers,

We are almost at the end of this academic year and I wanted to thank you on behalf of the staff for all your support. We have had such warm comments from parents and carers, both verbally and on our feedback forms. We appreciate this very much; it helps us as we look ahead to next year to see what has been successful and inform our next steps.

Our pupils have all worked very hard this year, embracing their learning, showing positive attitudes and resilience. All the children have represented our school very well at sports events and on trips and visits; we have received positive comments from the staff at these events. We know from pupil feedback that they enjoy having trips and visits, bringing their learning to life and it is wonderful to see how much they get from these experiences.

When children return to school on Tuesday 5<sup>th</sup> September following our summer holidays, we look forward to all the new opportunities and learning for pupils. Teachers will send out a 'Welcome Letter' for their class in September to provide some helpful information. For example, it will note PE days, homework days, etc. Children are provided with the stationary they need e.g. pens, pencils, coloured pens, etc so they do not need to bring anything to school except their PE kit. We hope that you all have a lovely summer holiday and we look forward to seeing you when we return.

At the end of this week our Year 6 pupils leave Bournmoor Primary and will head off to their secondary schools in September. They have been an absolute delight to have in school and they have contributed so much in the time they have been here. Of particular note is how kind and helpful they are with our youngest pupils. Recently they supported nursery to make scarecrows and it was lovely to see how nurturing and kind they were. We also want to congratulate Year 6 on their excellent SAT results as they have demonstrated their commitment to learning and achieving their best. We know they will continue to shine in secondary school and we wish all our Year 6 pupils the very best of luck.

Yours sincerely

*L A Snowdon*
