

Bournmoor Primary School Sports Funding Allocation 2024/25

The 2024-2025 Sport Premium funding for Bournmoor Primary School is £16,000 plus £10 per child (x69 Year 1 to Year 6) which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils. £16,690 in total.

The money will be used for:

1. £4,786 to AE Coaching for Nursery, Reception and Year 1 to have 45 minutes per week each on skills and games.
2. £5,850 (a minimum increase of £50 to School Sports Partnership Enhanced Service Level Agreement to ensure high quality PE support across the year.
3. £1,500 to be spent on buses and coaches to transport to and from class/school sporting events throughout Durham and the surrounding area.
4. £1,500 to be spent on external coaches to deliver extra-curricular sports sessions for children in Reception to Year 6.
5. £3,054 to be spent on updating and replacing PE equipment for use in lessons and at lunch/break times. This expenditure will be led by the children, working with our PE leader to decide what equipment is required for both class PE lessons and break time.

Key Guidance and Allocation Notes

What is Sport Premium?

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6

In most cases, we (DfE) determine how many pupils in school attract the funding using data from the summer 2024 school census.

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE.

They give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

7/12 of your funding allocation on October 2024

5/12 of your funding allocation on April 2025

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- There are 5 key indicators that schools should expect to see improvement across:
 - The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
 - The profile of PE and sport is raised across the school as a tool for whole-school improvement
 - Increased confidence, knowledge and skills of all staff in teaching PE and sport
 - Broader experience of a range of sports and activities offered to all pupils
 - Increased participation in competitive sport

For example, you can use your funding to:

- Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- Enter or run more sport competitions
- Partner with other schools to run sports activities and clubs
- Increase pupils' participation in the School Games
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)
- Fund capital expenditure
