

Bournmoor Primary School Sports Funding Allocation 2023-2024

The 2023-2024 Sport Premium funding for Bournmoor Primary School is £16,000 plus £10 per child (Year 1 to Year 6) which we use to promote healthy, active lifestyles and aim to provide sporting opportunities for all our pupils. £16,740 in total.

The money will be used for:

1. £4,786 to AE Coaching for Nursery, Reception and Year 1 to have 45 minutes per week each on skills and games.
2. £5,800 to School Sports Partnership Enhanced Service Level Agreement to ensure high quality PE support across the year.
3. £1,500 to be spent on buses and coaches to transport to and from class/school sporting events throughout Durham and the surrounding area.
4. £1,500 to be spent on external coaches to deliver extra-curricular sports sessions for children in Reception to Year 6.
5. £3,154 to be spent on updating and replacing PE equipment for use in lessons and at lunch/break times. This expenditure will be led by the children, working with our PE leader to decide what equipment is required for both class PE lessons and break time.

Rationale	Expenditure	Impact	Cost
<p>To provide high quality football coaching skills to N and up to Y2 to develop their co-ordination, balance and strength</p>	<p>AE Coaching on Thursdays 1 hour for N/R mixed class 1 hour for Y1/2 mixed age class</p>	<p>100% of N, R and Y1 pupils will have access to high quality coaching. Gross motor skills will develop in these sessions. All pupils will be given opportunities to work individually and in small teams to build strength and stamina.</p> <p>AE coaching will also provide a number of additional sessions. This will provide children from R to Y6 with a wide range of sports sessions with professionally training coaches, for example, AE coaching is now in the position to deliver tailored gymnastics and dance sessions (teachers also have the opportunity to up-skill from these sessions should they wish)</p> <p>Nursery and reception children continue to develop skills which can then be applied in more “game focussed” lessons in KS1. Sessions continue to develop the coaching relationship with AE coaching, ensuring continuity through the R/N and KS1 curriculum.</p>	<p>£4,786 for the academic year</p>
<p>School Sports Partnership Silver Service agreement to be used to ensure high quality PE support across the year</p>	<p>Buy into the Durham School Sports Partnership</p>	<p>Pupils will be encouraged to become sports leaders through SSP training for our Schools Sports Organising Crew (SSOC). They can use these skills in particular in Fit for Life week via intra-competitions that will also be organised through the Durham SSP.</p> <p>In addition to the regular events and coaching sessions, Year 5/6 will also take part in a set of lessons based around the theme of “Walk and Talk” – friendship, active lifestyles and generating positive attitudes.</p> <p>Pupils had the opportunity to take part in a range of sporting events both in and out of school this year. KS2 pupils had the chance to represent the school at the CLS Athletics festival in the summer term, with 3 pupils qualifying for the County Finals – a superb result considering the size of Bournmoor Primary School in comparison with other, much larger intake local primary schools.</p>	<p>£5,800 for the full range of services provided across the academic year 2023-24</p>

<p>To provide professional transport to and from sporting events throughout the year (majority of this will be utilised within the Summer term)</p>	<p>Coach and bus transport to and from events to provide all children with access to high quality, competitive sport across a range of different disciplines</p>	<p>The school will fund travel to and from sporting events to enable access for all children to all sporting events.</p> <p>This has enabled the school to continue with the provision of active, sporting opportunities for all with no additional cost to parents/carers for transport.</p>	<p>£1,500 across the school year.</p>
<p>Professional coaching or after-school clubs to promote active, healthy lifestyles for children</p>	<p>Provide weekly sessions after-school for external coaches to work with children on a range of sports such as Dodgeball and Gymnastics.</p>	<p>Deliver a range of after-school clubs through external coaching including:</p> <ul style="list-style-type: none"> • Gymnastics • Dance • Multi-sports • Cricket • Athletics <p>We listen to pupil voice with regards to clubs and activities with the aim of being inclusive for our pupils.</p> <p>Pupils have continued to guide our extra-curricular options, with football coaching sessions for all this year. This has developed our more senior pupils' leadership skills whilst also introducing our younger pupils to new sports.</p>	<p>£2,000</p>
<p>Replace equipment to ensure teachers, apprentice and dinner staff have the correct, suitable equipment to deliver active sessions</p>	<p>Utilise the carry-over from previous year to replace old equipment, as well as purchase school bibs for external events</p>	<p>New equipment will allow teachers and staff to maintain the high level of PE delivery across the school, building on the success of the previous year. Recommendations have been taken from external coaches to increase the breadth of equipment on offer, for example, new multi-purpose nets will be purchased to enable the teaching of net/wall games such as tennis and badminton.</p> <p>Throughout the year we will continue our focus on our EYFS outdoor area, with the addition of new equipment to further enhance the provision. This will include, but not limited to role play equipment, mud kitchen items and gross/fine motor skill activities. PE lead and EYFS lead to create a plan to future proof the EYFS outdoor space to utilise the carry over amount from the previous academic year.</p>	<p>£3,045</p>

		<p>Following the appointment of our new EYFS lead in January, a catalogue of resources will be made and new additions purchased to more closely match the requirements of our Nursery and Reception children.</p> <p>Additional sensory equipment has been purchased to more closely match the individual needs of children in our EYFS provision. This has allowed tailored SEN support plans to be created to specifically meet the needs of children as they begin school.</p> <p>We continue to update our EYFS area with additional sensory equipment to support our children with additional needs.</p>

Other ways in which we promote healthy lifestyles at Bournmoor Primary School:

Rationale	Expenditure	Impact	Cost
To utilise teachers' skills developed through Sports Premium Funding training in the previous school year.	Staff time used to enhance PE delivered in school through extra-curricular activities or curricular time	<p>Football coaching provided by one of our teachers to ensure that pupils have the opportunity to develop their abilities. Teaching skills were developed in the Durham PE courses.</p> <p>We continue to develop our medium-term planning in-line with the school curriculum development. Staff have utilised training and coaching support to enhance these plans and ensure suitable progression throughout the school.</p>	No cost
Links beyond school are developed which allow sustainable healthy lifestyle choices	Pupils who leave Year 6 are able to further develop skills taught in Primary	100% of children from Nursery to Year 6 will be able to take part in team and individual events in which they will have the opportunity to develop skills and understanding of sport and healthy living.	No cost
Links beyond school are developed which allow accessible competitive sporting opportunities	Through links with Bournmoor Cricket Club	Children will be given the opportunity to develop their cricket skills in the correct environment and with the correct equipment.	No cost
To increase the range and scope of club links	Work with local teams to develop a pathway for competitive sport to be continued as Year 6 children look to move on to Secondary education	<p>The school's PE coordinator will work with local clubs to develop the links we provide for children from R to Year 6.</p> <p>Building on pupil skills and interests, we will look to further develop these club links to strengthen the drive and ambition held by children in KS2.</p>	No cost

Key Guidance and Allocation Notes

What is Sport Premium?

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6

In most cases, we (DfE) determine how many pupils in school attract the funding using data from the January 2023 school census.

Schools with 16 or fewer eligible pupils receive £1,000 per pupil.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE.

They give local authorities PE and sport premium funding for maintained schools in 2 separate payments. Local authorities receive:

7/12 of your funding allocation on October 2023

5/12 of your funding allocation on April 2024

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- There are 5 key indicators that schools should expect to see improvement across:
 - The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
 - The profile of PE and sport is raised across the school as a tool for whole-school improvement
 - Increased confidence, knowledge and skills of all staff in teaching PE and sport
 - Broader experience of a range of sports and activities offered to all pupils
 - Increased participation in competitive sport

For example, you can use your funding to:

- Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- Hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- Enter or run more sport competitions
- Partner with other schools to run sports activities and clubs
- Increase pupils' participation in the School Games
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

You should not use your funding to:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- Teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum)
- Fund capital expenditure
